

Parent Teacher Student Organization (PTSO)

One of the best ways to help ensure your child's success in school is to be involved in school programs and activities. One of the easiest ways to show your support is to participate in the PTSO. Parents possess a vast wealth of talents, abilities and energies, and we need your help! You can take a lead or support role, come up with new ideas, or help us with what you are comfortable with. Volunteer for activities that you enjoy and that fit your time and schedule. Just give a couple hours of your time or send food / supplies for the various events. Two things that you can do to support your child, school, and PTSO are:

- 1. Join the L.C. Bird PTSO. Every parent, guardian and student is urged to join. The cost is \$5.00 each. Please make your check payable to the Bird PTSO and place it in a PTSO membership envelope, or pickup an envelope in the main office. Please turn it in to the office, or have your child turn it in to his/her first period teacher.
2. Complete the "Volunteer Signup" form below and return it to the school (drop it off in the school office or mail it in). Our volunteer coordinator will contact you by e-mail for the items for which you have volunteered for or for general help.

If you have any questions about the PTSO, please send an e-mail to Info@BirdPTSO.com or telephone me at 804-892-1551 Watch for updates from the PTSO on Edline, the monthly school newsletter or visit our website at www.BirdPTSO.com.

Thank you for your support. I look forward to working with you and having a great year at L.C. Bird High School!

Sincerely, Nikki Humphries, PTSO President
